

Thank you for signing up for training at Finish Forward Dogs!

Please note that the first meeting for both [Companion Dog I & Good Bully Classes](#) is a **human-only orientation** – please leave your dogs at home. All other classes, unless otherwise specified, dogs will attend week one.

Here's a list of what you'll need to bring to class:

- Vaccination records: Rabies and Distemper are required for adult dogs. Puppies must be on a vaccination schedule as directed by a veterinarian.
- A HUNGRY dog – please do not feed your dog before coming to class
- A flat buckle collar or martingale (limited-slip or 'greyhound') collar
- A 6-foot nylon or leather leash
- A treat bag with lots of small, soft and smelly training treats. Leave those dry biscuits at home and 'up' the value for class to cheese, luncheon meat, boiled chicken, etc.
- An interactive toy (tug toy, favorite ball, etc)
- Appropriate footwear (no sandals)! During foul weather, please bring a change of shoes to keep our nice floors clean and in good condition
- Doggie bags to pick up after your dog. Please potty your dog before coming into class - you may walk along the side of the main entrance to the rear of our building. Please put waste in the proper outdoor receptacle.
- An upbeat, positive attitude!

Please contact us with any questions. See you soon!
